Southwest Boats, representing AB inflatables in Portugal, presents the Navigo 13 VS.

The most spacious fiberglass RIB on the market.

With its unique forward-hull design, our full-featured Navigo is the most spacious fiberglass RIB on the market. Ready for whatever comes its way, this is the ideal tender for a day trip to the beach, an adventurous morning of snorkeling, or simply transporting family and friends in style. Everything about the Navigo speaks to convenience and practicality. The Navigo has 820 CSM Orca Coated Fabric which brings extra protection and with-it greater resistance and durability.

Southwest Boats supports you beyond the purchase | offering yacht management programs, brokerage assistance, and boat exchange opportunities within our range.

Buyers also benefit from:
• 15% discount at our nautical shop
• Flexible financing solutions
• Dedicated team

Don’t hesitate to contact if further information required.
