Beschrijving

Gyro stabilization system available – Increased comfort not only due to the long list of extra equipment, such as the generator, air conditioning in all (three) cabins, the water maker or the Volvo DPS “Sky Hook” system for automatic positioning, but also due to the gyro stabilization system from SeaKeeper.

Nicely maintained Absolute 47 Fly from 2021, VAT not paid (net sale possible), flying german flag and with impeccable documentation and service history. This MY is equipped with Volvo Penta D6-IPS650 diesel engines, each with 480hp, as well as a bow thruster making maneuvering a breeze. With a cruising speed of around 22kn, the engines run at 3,200 rpm and a combined consumption of approximately 155l/h, the maximum speed is an impressive 28kn at 3,700 rpm.

This yacht was fitted with teak decking in the cockpit area and on the bathing platform, she counts with full extras. In addition to the seating area with electrically-operated privacy screen and teak table at the stern, the spacious cockpit area is also equipped with an electro-hydraulic bathing platform providing space for the yacht’s tender (max 400 kg) as well as with an electro-hydraulic, teak-laid gangway. Moreover, this Absolute 47 offers on a total of 3 decks

Below deck a full beam master cabin in the bow with en-suite bathroom, large wardrobe and Smart Tv, a second double cabin to port with large walk-in wardrobe, Smart Tv and a washer-dryer combination as well as a third cabin with two single beds, accommodating a total of up to six guest. In the companionway there is the day head / second bathroom

On deck level towards the cockpit there is a bright, spacious and fully-equipped kitchen with electrically-operated window converting the aft part to a small bar allowing for easy serving when seated outside. Moreover, the saloon offers a cozy seating area with up-& down lift for the Smart Tv opposite as well as a bar with integrated wine cooler. Forward, next to the helm station / IPS joystick control, there is the manually operated side door – typical of Absolute Yachts – that provides great visibility and thus eases docking operation as the captain may manouver the vessel from the side walkway

On the flybridge – generously designed and equipped with hard top – a seating & dining area with teak table as well as a BBQ furniture with grill, sink, fridge and icemaker are found aft. Next to and forward of the helm station there is a large sun pad with reclining back rests enabling the guest to take a sun bath with a stunning 360 degree view
