Beschrijving

Description

Absolute 60 Fly (2024) – As-New Condition, IPS 1200, Seakeeper, VAT Paid
Year: 2024
Engines: 2 × Volvo Penta D13 IPS 1200 (2 × 900 HP)
Engine Hours: Approx. 150
Ownership: One owner from new
Condition: As new
Tender: Williams Turbojet 325 (included)

Overview

This 2024 Absolute 60 Fly is offered for sale in exceptional, near-new condition. She has been privately owned and carefully maintained since delivery. With only approximately 150 engine hours, no charter use, and a fully documented service history, this yacht represents a rare opportunity to acquire a virtually new vessel without any waiting time.

The yacht is exceptionally well specified, featuring the upgraded and rarely ordered IPS 1200 engine package, a Seakeeper 9 gyro stabilizer, and an extensive list of premium options. EU VAT has been fully paid, and the yacht is ready for immediate handover.

Key Features

2 × Volvo Penta IPS 1200 (900 HP) – significantly more powerful than the standard IPS 950 configuration, offering higher cruising efficiency at lower RPM with comparable fuel consumption
Seakeeper 9 gyro stabilizer
Volvo Assisted Docking (IPS 30) and Dynamic Positioning System (DPS)
Third docking station with joystick in the cockpit
Hydraulic bathing platform (450 kg capacity) and hydraulic gangway
Flybridge hardtop with integrated solar panels
Tropical air conditioning throughout, including crew cabin
Watermaker – 140 l/h
Williams Turbojet 325 tender included
VAT paid

Accommodation

The Absolute 60 Fly offers a spacious and elegant three-cabin layout, complemented by a dedicated crew cabin:

Full-beam owner’s cabin with double berth and en-suite bathroom
VIP cabin with double berth and en-suite bathroom
Guest cabin with twin berths and bathroom
Fully equipped crew cabin with en-suite bathroom

High-quality finishes, wood flooring throughout the interior, and refined fabrics underline the yacht’s premium character.

Interior blinds and soft furnishings include fabric Roman blinds on the main deck and lower deck (owner’s and VIP cabins), blackout blinds in all cabins (roller blinds in the owner’s and VIP cabins, clip-on blinds in the twin guest cabin), as well as mosquito screens on all opening windows, ensuring privacy, comfort, and climate control at all times.

Exterior Areas

The cockpit and flybridge are designed for maximum comfort and flexibility, featuring modular seating arrangements, teak tables, generous sunbathing areas, and electric sun awnings.

The flybridge is fully equipped with a grill, refrigerator, lounge furniture, and large sunpads under a solid hardtop – ideal for extended cruising and entertaining.

Technical Equipment (Selection)

Seakeeper 9 gyro stabilizer
19 kW generator
Tropical air conditioning
Proportional bow thruster
Hydraulic bathing platform (450 kg) and hydraulic gangway
Engine room and cockpit cameras
