Divisie - hutten	**stuurpositie binnen**

Beschrijving

This 2024 Absolute 60 Fly is offered for sale in exceptional, near-new condition. With one owner from new, exclusively private use and approximately 280 engine hours, she combines low usage with a documented maintenance history. EU VAT is paid, and the yacht is available for immediate handover.

Standout features include twin Volvo Penta D13 IPS 1200 engines delivering 900 hp each, a Seakeeper 9 gyro stabilizer and a flybridge hardtop with integrated solar panels. Volvo Assisted Docking, Dynamic Positioning System (DPS) and an additional joystick docking station in the cockpit make manoeuvring easier.

The spacious outdoor areas offer plenty of room for relaxing and entertaining. The flybridge features lounge seating, sunpads, a grill and a refrigerator. Electric sun awnings on the flybridge and in the cockpit provide additional shade.

Inside, high-quality materials, wooden flooring and a thoughtfully designed layout create an inviting atmosphere. Three guest cabins with three bathrooms accommodate six guests, complemented by a separate, fully equipped crew cabin with its own bathroom.

Technical Specifications

• Year: 2024
• Length overall: 18.66 m
• Beam: 4.94 m
• Hull material: GRP
• Engines: 2 × Volvo Penta D13 IPS 1200
