AQUILA 54 / 2021

Keen Seller | Privately Owned | Turnkey Condition l Meticulously Maintained

Delivered new in Turkiye in November 2021 and meticulously maintained by her first owner, this Aquila 54 has been carefully upgraded and optimized for comfortable long-term live aboard cruising. Combining the stability and efficiency of a power catamaran with the comfort typically found on significantly larger motor yachts, she is presented in exceptional condition and ready for her next owner.

Key Features:

• Twin Cummins 550 HP diesel engines (top engine option) with shaft drive propulsion
• 1,600Ah Mastervolt lithium battery bank with 9kW inverter/charger capacity
• 2,800W SunPower Maxeon solar array for extended generator-free operation
• 350 l/h watermaker and freshwater purification system
• Dockmate remote docking system with twin bow thrusters
• Starlink satellite internet and UniFi onboard Wi-Fi network
• Hydraulic bathing platform and Opacmare hydraulic gangway
• Hard-top flybridge with wet bar, BBQ, refrigerator and ice maker
• Premium Raymarine navigation package including radar, AIS and autopilot
• Highfield 380 tender with 60 HP outboard included in sale

Designed for a family living aboard for extended periods without shore support, this Turkish-flagged Aquila 54 offers an exceptional blend of performance, autonomy, comfort and practicality.
