ARCONA 36 – CAPABLE CRUISER WITH A 2009 VOLVO PENTA ENGINE, GENEROUS HEADROOM AND DOCUMENTATION OF VAT PAYMENT

Offered for sale is the 1988 Arcona 36 “Gøjsen” – build number 15 – equipped with a 2009 Volvo Penta diesel engine, Raymarine navigation equipment, Eberspächer heating, and a sprayhood and cockpit enclosure from Kapell & Annat.

The boat combines classic lines with a spacious interior and equipment for both weekend trips and longer cruising holidays. Below deck, the reported headroom is approximately 1.96 metres, and the galley features a gas cooker with oven and a compressor-cooled coolbox.

According to the owner, documentation of VAT payment is available. The boat is lying in Marselisborg Harbour, Aarhus, with an asking price of DKK 285,000.

ARCONA 36 – SAILING ENJOYMENT AND COMFORT

The Arcona 36 appeals to sailors seeking enjoyable sailing performance and comfortable accommodation. Measuring 10.85 metres in length and 3.50 metres in beam, with a displacement of approximately 5.8 tonnes, she offers generous space for a 36-foot sailing yacht.

The draught is 1.85 metres, and the boat was built in GRP by Marieholm Boats AB.

SAILS AND RIGGING

The sail inventory includes a fully battened mainsail from Green Sails dating from 2007 and a furling jib from the same sailmaker dating from 2004.

Sails and deck equipment include:

Green Sails fully battened mainsail, 2007

Green Sails furling jib, 2004

Andersen winches

NAVIGATION

The navigation equipment is based around Raymarine instruments, including a C80 GPS/chartplotter, log, depth sounder and autopilot.

Equipment includes:

Raymarine C80 GPS/chartplotter, 2005

Raymarine log, 2005

Raymarine depth sounder, 2005

Raymarine autopilot, 2005

Compass

DECK AND COCKPIT

The cockpit provides space for sailing and relaxing in harbour. The sprayhood and cockpit enclosure from Kapell & Annat offer shelter and extend the use of the cockpit in changeable weather.

Equipment includes:

Kapell & Annat sprayhood, 2010

Kapell & Annat cockpit enclosure, 2010

Cockpit table, 2010

Anchor with chain and rope

Three-step bow boarding ladder

COMFORT AND ACCOMMODATION

Below deck, the boat offers generous headroom and practical facilities for cruising holidays. The galley is equipped with a gas cooker with oven from 2009 and a compressor-cooled coolbox from 2013.

An Eberspächer heating system from 2005 adds comfort on cooler days and helps extend the sailing season.

Comfort equipment includes:

Reported headroom of approximately 1.96 metres

Gas cooker with oven, 2009

Compressor-cooled coolbox, 2013

Eberspächer heating, 2005

Marine toilet

Grundig radio with CD player

ENGINE AND TANK CAPACITIES

The boat is fitted with a freshwater-cooled 28 hp Volvo Penta diesel engine from 2009, with saildrive and a folding propeller.

Engine and tank specifications:

Volvo Penta diesel engine, 2009

28 hp

Freshwater cooling

Saildrive

Folding propeller

Fuel capacity of approximately 100 litres

Freshwater capacity of approximately 180 litres

Holding tank capacity of approximately 100 litres
