Bali 4.3 Catamaran - 2020 - 4+2 Cabins - Excellent Condition
Additional videos available

We are delighted to offer this Bali 4.3, built in 2020 and presented in excellent condition under the Italian flag. The Bali 4.3 is renowned for her innovative open-space design, combining the comfort of a luxury cruiser with the practicality of a true bluewater catamaran. With her distinctive tilting door, flybridge helm, and generous living areas, the Bali 4.3 offers a unique blend of performance, versatility, and lifestyle comfort.

This particular example has been meticulously maintained by her private owner, with full service records available. Twin Yanmar engines are serviced annually by official Yanmar agents, saildrive seals are renewed each year, and safety equipment is comprehensively updated - including a serviced life raft valid until 2026. She boasts an extensive inventory, including solar panels, watermaker, inverters, Raymarine instruments, electric winch, dinghy (2024), and a full suite of safety and cruising equipment.

A turn-key cruising catamaran in the Mediterranean, ready for her next adventure. Viewing is strongly encouraged.
