Beschrijving

The Bali 4.4 (2022) is a well-equipped, ocean-going catamaran designed by Xavier Faÿ & Lasta Design, offering a rare combination of space, comfort, and practical long-range capability. Built to Category A standards, she is fully prepared for offshore cruising, with generous living areas, a bright open-plan saloon, and accommodation for up to 10 guests across 4 cabins plus crew.

Equipped with twin Yanmar 57 HP engines, generator, watermaker, air conditioning in all cabins, and a full suite of Raymarine electronics, this yacht is set up for extended cruising with no compromise on comfort. Currently ashore at Ören Tersan Marine and available for viewing.
