Beschrijving

Remarks :
This Bali 4.5 catamaran offers a highly practical and comfortable platform for relaxed cruising, built by Catana in France and well regarded for its innovative open-space design. The bright panoramic saloon flows seamlessly into the cockpit, creating a sociable layout that works equally well at anchor or underway.
Configured in the sought-after 4-cabin, 4-head layout, she provides good privacy for family and guests while remaining easy to manage for an owner couple. Well equipped with generator, air conditioning, watermaker and comprehensive navigation electronics, she is designed for straightforward ownership and extended time aboard.

The yacht is currently ashore in Preveza, Greece, available for inspection, Poland registered, and EU VAT not paid. Recently fitted new exterior cushions enhance her presentation. Sensibly priced to encourage a prompt sale, this is a strong opportunity in the Bali 4.5 market.
Highlights Listed below but included in Full Specs:
Bali 4.5 open-space saloon and cockpit concept
4 double cabins with 4 electric heads
Generator, air conditioning and watermaker
Forward cockpit, flybridge and large aft cockpit
New exterior cockpit cushions
Ashore in Preveza, Greece – easy inspection
Poland registered
EU VAT not paid
Priced to sell
BROKER’S REMARKS
The Bali 4.5 is well known for its open and sociable layout, offering excellent light, ventilation and easy movement between inside and out. This example is well specified with the key systems needed for comfortable cruising and benefits from new exterior cushions that lift her overall presentation. Ashore in Preveza and realistically priced, she represents an appealing, ready-to-go option for buyers seeking space, comfort and uncomplicated ownership.

Accommodation :

ACCOMMODATION
4 double cabins
4 electric heads with separate shower compartments
LAYOUT:
The yacht features four well-proportioned double cabins, each with its own ensuite electric head and separate shower. The saloon is light and airy with panoramic windows and excellent headroom, linking directly to the aft cockpit. The galley is positioned forward, allowing direct access to the forward cockpit and contributing to the yacht’s open, sociable feel.

DOMESTIC:
