Beschrijving

The Bali 5.4 catamaran stands out for its innovative open and ergonomic design, offering a comfortable, modern and luxurious onboard experience. Its flybridge provides stunning panoramic views and ample space for relaxation, equipped with sunbeds, a table and a refrigerator, ideal for enjoying long days at sea.
The saloon area and rear cockpit are seamlessly integrated thanks to Bali's signature large folding door, creating a continuous and fluid space between interior and exterior. In addition, the forward cockpit offers convenient and safe access, perfect for enjoying the sun and sea breeze in a spacious area designed for relaxing with family and friends.
Interior layout:
The interior is particularly spacious and bright, with a saloon that connects directly to a fully equipped galley. It has 5 cabins, all of which are spacious and comfortable, with large beds and large windows that ensure excellent ventilation and panoramic views. Each cabin is designed with high-quality materials and finishes, ensuring a comfortable and peaceful stay for all guests, and each has its own bathroom. In addition, there is 1 separate cabin for the crew, ensuring greater privacy and optimal service on board.
Without a doubt, an exceptional option for enjoying the sea in maximum style, comfort and performance.
