Uitrusting dek	**bijboot / dinghy, bootkraan, douche op dek, fender, gangway, zwemtrap**
Interieur	**diepvries, koelbox, koelkast, kookplaat, kussenbekleding, oven, spoelbak, verwarming**
Consumenten-electronica	**cd, dvd, luidspreker in de cockpit, tv antenne**
Veiligheid	**blusapparaat, EPIRB, reddingsvesten, reddingsvlot**
Persennings	**bimini top**
Zeilen	**gennaker, lazy bag, lazy jacks, spinnaker**

Beschrijving

SY Yara is not just a catamaran; she is a rare example of German craftsmanship, expedition-grade engineering, and ocean-proven reliability. Designed by renowned naval architect Stefan Schulz and built by Baltec Engineering GmbH, this Visiona 40 embodies the philosophy of yachts designed to cross oceans safely, efficiently, and comfortably.
Her full wood-epoxy construction provides exceptional structural strength, excellent thermal insulation, and outstanding long-term durability, far surpassing that of conventional production catamarans.
What truly sets Yara apart is her remarkable pedigree: she has completed two and a half circumnavigations, a testament to her robustness and the meticulous care she has received throughout her life. Yara is an exceptionally well-prepared blue water cruising catamaran, fully autonomous and ready for a new circumnavigation without requiring any major additional investment.
German Flag – European VAT Paid – Available for viewing in Martinique

Accommodation
Three double cabins version
Starboard hull
One forward double cabin used as storage space
One shower room with shower, electric marine toilet sink with 80 L black water tank
One aft double cabin
Port hull
One forward shower room with shower, electric marine toilet sink with 80 L black water tank
One aft double cabin
Galley
Chart table
Saloon table with settee convertible into an additional berth
30 L / 220 V water heater
400 L freshwater tank
Dometic MCS T6 air conditioning – 6,000 BTU
Eberspächer diesel heating
Radio/DVD player with waterproof speakers
Brother MFC-T810W printer/scanner

Galley
One sink
12 V refrigerator
Pressurized hot and cold water (+ one new spare pump)
Four-burner gas stove with oven
Two 12 kg aluminum gas bottles
One 120 L ventilated refrigerator
Two Dometic CFX3 portable refrigerators/freezers, 75 L each
Fully equipped galley (plates, glasses, cutlery, cookware, etc.)
SodaStream system with five CO_2 cylinders
Nespresso coffee machine
Echotech DML-260-1 12 V water maker (50 L/h) with titanium pump head

Sails and Rigging
Rolly Tasker mainsail 36m²
Rolly Tasker furling headsail 38m²
Harken furling system (new in 2017)
Gennaker 90m² for light winds, usable up to 60° apparent wind angle (Code 0 type)
Harken blocks
Two 28ST47 Meissner winches
Four 25ST43 Meissner winches
Spinnaker pole

Electronics
Hydraulic autopilot with Raymarine Type 1 pump, including spare ram and spare pump
Raymarine AXIOM Pro 12 RVX chart plotter

Three Raymarine i70 displays
Two Raymarine p70 displays
Raymarine EV1 course computer
Raymarine ACU 200
Raymarine audible alarm
Three Raymarine ITC50 interfaces
Raymarine ST1 converter
Raymarine AIS700 transceiver
Raymarine Quantum Doppler radar
Standard Horizon Matrix fixed VHF with GPS and AIS
Icom IC-M93D handheld VHF
Eco flex 10 VHF mast cable (24-mile range)
Starlink Mini powered on 12 V
Forward-looking sonar
Silva 125FTC compass
Raymarine EV1 Evolution gyro compass
Two MOB1 personal AIS/GPS beacons

Electrical
Eight service batteries installed in 2023, total capacity 800 Ah / 12 V
Two 40 Ah engine starting batteries
JK BMS battery management system with Bluetooth
Eight Solara S705M43 solar panels, 160 W each
Four Solara solar panels, 190 W each
Two Victron MPPT 150/60 solar controllers
One Victron MPPT 100/30 solar controller
Super wind 400 W wind generator
Simarine Pico monitoring system (diesel, water, and power consumption)
SDMO portable generator, 2,200 W
LED navigation lights
Outback inverter/charger, 3,500 W

Deck Equipment
Maxwell RC8-8 windlass with controls at the bow and cockpit
Primary anchoring system consisting of a 24 kg stainless steel Bügel anchor with 100 m of 8 mm Cromox Duplex stainless-steel chain
Carbon fiber bimini with integrated solar panels
Six Lewmar size 54 deck hatches with mosquito screens
Six Lewmar size 1 portlights with mosquito screens
Swimming ladder
Cockpit shower with pressurized hot and cold water

Additional Equipment
AB Lamina 9.1 RIB dinghy with storage locker, hostable under the davits
Mercury 9.8 hp two-stroke outboard engine (new in 2025) with lifting crane
Plastimo Transocean Offshore four-person life raft (service due)
Two Plastimo automatic lifejackets
Six fire extinguishers
Two powder fire extinguishers
Aluminium gangway
Extensive inventory of spare parts for engines, sails, and water maker
Spare water maker motor brushes
Complete set of maintenance tools
Two fishing kits
Eight fenders with covers
High-pressure wash pump for anchor and chain cleaning
Nabi diving compressor (new in 2025)
Hobie kayak with paddles

Two Volvo D1-30 engines installed new in 2024
Sail drives fully serviced in 2024
Coppercoat antifouling treatment applied in 2024
Engine seals replaced in 2024
Additional Tankage
Six 20 L diesel jerrycans
Six 20 L freshwater jerrycans
Safety
Four bilge pumps
