Beschrijving

The Centurion 59 "Amanda" is a fantastic high performing long distance world cruiser built by the reknown Wauquiez yard. The Centurion 59 " Amanda" has had one owner since 1997. Amanda has been meticulously maintained to the highest standards. Amanda is also the only Centurion 59 with a full beam "widebody" aft cabin. Always kepot on the hard during the winter and moored on the fresh water ijsselmeer lake when not sailing. For those looking for a blue water cruiser Amanda is a must see.
