Manufacturer Provided Description
The Cobra Nautique 7.7m is our most popular model and an excellent all rounder. She is easy to tow and slip or just simply kept on the mooring ready for action. Perfect for water sports as the high pull from the A frame gives a superior tow for both novice and expert alike. A massive 300 litre fuel tank gives extensive range for the longer journeys or will last for many weekends if just pottering in local waters. Cobra’s unique bucket seating design means you sit in the craft not on it as with traditional ribs, a perfect fusion of form and function. Plenty of grab handles, stainless steel support rails and lifelines make it safe and secure for all ages.
