Beschrijving

Introducing the stunning 2007 Comar Comet 52 RS, a remarkable Racer/Cruiser that seamlessly blends performance with elegance. With an impressive overall length of 15.9 meters, this vessel is designed for both thrilling races and leisurely cruises. The hull, crafted from durable fiberglass, features a bulb keel that enhances stability and maneuverability on the water. Powered by a robust Lombardini diesel engine, delivering 90 hp, this boat is equipped with an inboard/outboard configuration and a reliable sail drive, ensuring a smooth and efficient sailing experience. The 3-blade bronze propeller adds to its performance capabilities. The Comet 52 RS is also outfitted with an electric windlass, making anchoring effortless. This vessel is perfect for those who appreciate the finer details of sailing, offering a combination of speed, comfort, and advanced features that cater to both racing enthusiasts and cruising aficionados alike. Experience the thrill of the open sea with this exceptional yacht.
