Beschrijving

The 2019 Cranchi T36 Crossover combines elegant design, performance and comfort, featuring a modern styling by Christian Grande Design Works. Its versatile Crossover layout offers bright and spacious living areas, with a generous deckhouse, large sliding windows and a seamless connection between the interior saloon and cockpit.
The interior accommodation consists of three cabins: a forward owner's cabin with an island double bed, a guest cabin with twin beds and a third cabin with bunk beds. There is one bathroom with an electric marine toilet. The galley is equipped with a hob, refrigerator and microwave oven. Air conditioning and heating provide comfort throughout the season.
Power comes from twin Volvo Penta D4 diesel engines, each delivering 300 hp, with approximately 400 engine hours each. The yacht has a stated maximum speed of 35 knots and a cruising speed of 25 knots. Equipment includes a bow thruster and a 6 kW generator.
Outside, the spacious cockpit features a teak dining area, table, cushions, shower and bathing ladder, while generous sunbathing areas are available on the bow. Further equipment includes a hardtop and cockpit canopy.
A versatile and comfortable cruiser, ideal for both day trips and longer coastal cruises. Carefully maintained, she is presented ready to sail.
