Persennings	**hardtop**
Zeilen	**spinnaker**

Beschrijving

Remarks :
1995 Garcia Custom Open 60
Summary & Overview
An 18.3-metre aluminium performance cruiser/racer built in 1995 by Garcia Yachts to a Joubert-Nivelt design. Designed around an Open 60 hull form with a canting keel system and twin rudders, her robust aluminium build makes her an exceptionally strong candidate for high-speed ocean cruising and long-distance expedition/explorer sailing.

She has proven offshore capability, including recent multi-day singlehanded Atlantic passages covering over 2,000 nautical miles solo. The vessel features upgraded B&G navigation electronics, radar, autopilot systems, and a newly installed 0-hour Volvo Penta engine awaiting final commissioning.

CE certified, registered under the flag of Gibraltar, and currently lying ashore in Portimão, Portugal with a berth available.

Specifications & Pricing
Asking Price: €140,000 (VAT Paid)

Flag of Registry: Gibraltar

Builder: Garcia Yachts

Designer: Joubert - Nivelt

Certification: CE

Dimensions & Construction
Length Overall (LOA): 18.3 m (18.27 m)
Minimum Draft: 4.3 m

Maximum Draft: 4.5 m

Displacement: 12,000 kg (12 tonnes)

Ballast: 3,500 kg (3.5 tonnes)

Gross Tonnage: 23.79 GRT

Hull Material: Aluminium monohull

Keel Type: Canting Keel

Steering System: Wheel steering with twin transom-mounted rudders

Rigging & Sail Setup
Total Sail Area: 629 m²

Mainsail: 151 m²

Headsail: 178 m²

Spinnaker: 300 m²

Deck Hardware: Heavy-duty manual deck winches positioned around the working cockpit area for short-handed control.

Engine & Auxiliary Power
Engine Make: Volvo Penta D2-75

Power: 75 HP

Engine Year: 2010

Engine Hours: 0 (Newly installed, uncommissioned unit in place)

Drive Type: Inboard shaft drive (midships / center layout)

Propeller: MaxProp folding/feathering propeller

Fuel Type: Diesel

Tankage
Fuel Capacity: 400 L (across 3 fuel tanks)

Freshwater Capacity: 200 L (across 3 fresh water tanks)

Navigation, Electronics & Deck Layout
Cockpit / Companionway Protection: Yellow hardtop cuddy structure offering high shelter to the main helm position and companionway hatch.

Upgraded Navigation Electronics:

Autopilot: B&G Triton system
