Zeilen	**fok, genua (2019), grootzeil (lattée), spinnaker (SYMETRIQUE)**

Beschrijving

DUFOUR 34 PERFORMANCE - THE FAST CRUISER THAT STILL LOVES A RACE

Built by Dufour Yachts, this 2007 34 Performance sums up the La Rochelle yard's philosophy: a family cruiser designed for speed, without giving up the comfort of its two cabins. A versatile 10.30 m, easy to handle short-handed, equally at home on a week of coastal cruising or on a Sunday start line.

A hull built to sail

GRP hull, 10.30 m overall with a 3.48 m beam and 2.00 m draft: the proportions speak for themselves, with a deep keel delivering tracking and stiffness under sail for a moderate 5,300 kg displacement. The deck is teak-laid, as is the cockpit. The rig features a boom with lazy jacks and lazy bag fitted in 2025, an adjustable backstay, a removable inner forestay and a mainsail track with car for fine trimming.

Power and life on board

The 30 hp Volvo D1-30, a three-cylinder raw-water cooled unit, shows 1,500 hours and gives a 6-knot cruising speed with 90 litres of diesel. With 280 litres of fresh water, hot water and a deck shower, cruising range is genuine. Below, two cabins and six berths, a full galley with hob, oven and electric fridge, and capacity for up to 8 people for day sailing.

Inventory

- Fully battened mainsail
- Genoa (2019)
- Symmetrical spinnaker with spinnaker gear
- Storm jib and staysail
- Boom with lazy jacks + lazy bag (2025)
- Volvo D1-30 30 hp engine, 3 cylinders, raw-water cooling (2007, 1,500 h)
