Beschrijving

The Elan Impression 43 (introduced in 2023) is a modern, wide-body family cruiser built by Slovenia-based Elan Yachts. Designed as a fresh update to Elan's highly successful Impression lineage (which includes the historic 434, 45, and 45.1), this model was developed in collaboration with Humphreys Yacht Design for its naval architecture and the legendary Pininfarina studio for its interior and exterior aesthetics. It is specifically engineered to be a stable, comfortable, and easy-to-manage Mediterranean cruiser, making it highly popular for both private blue-water cruising and commercial charter fleets.
