Beschrijving

Excess 11 catamarans were built in 2021 by Excess, brand of the Beneteau Group.
The volumes of this small catamaran have been perfectly thought out to benefit from an incredible space with very beautiful cabins.
When it comes to sailing, you'll appreciate the sensations offered by her lightness on the water.
The helm stations, located aft of the hulls, make it easy to manage the yacht, even with a reduced crew. Simple and efficient, maneuvers on deck are centralized aft, with just one winch and piano on each side to control the whole boat!
This four-cabin, two-bathroom version offers an ideal balance between family comfort and sailing performance.
French flag European VAT paid, available in Martinique

Accommodations:
Four double cabins and two shower rooms with separate showers
Starboard hull:
One aft double cabin with bed 160X200
