Excess 11 (2024) – Owner Version

The Excess 11 combines sporty sailing performance with the comfort and practicality expected from a modern cruising catamaran. Her twin helm stations, contemporary design and bright interior make her an excellent choice for sailors looking for an enjoyable and capable cruising yacht.

Delivered in April 2024, this Owner Version (3 cabins / 2 heads) is presented in excellent condition and has had only light private use. Powered by twin 29 HP Yanmar diesel engines with just 564 engine hours, she has been professionally maintained since new, with documented servicing.

Extensively equipped from the factory and further enhanced with desirable options, she features a square-top mainsail, self-tacking jib, Code 0 with furler, Garmin navigation electronics with AIS, lithium batteries, 3 x 375W of solar panels with Victron MPPT controllers, 600 L freshwater capacity, folding propellers, electric winch, Highfield CL310 tender with Yamaha 9.9 HP outboard.

The modern interior offers a spacious owner's layout with three cabins and two heads, finished in Honey Teak, together with a fully equipped galley, additional saloon berth, microwave oven, electric toilets, fans throughout and numerous comfort features for extended cruising.

Portuguese flagged, EU VAT paid, this Excess 11 represents an outstanding opportunity to acquire an exceptionally well-equipped, nearly new catamaran without the waiting time of a factory order.
