Beschrijving

Excess 14 Four-cabin Pulse Line version built in 2024, delivered on May 27, 2024, and which has sailed very little, like new!
The Excess 14 is a modern, high-performance and user-friendly cruising catamaran, designed to offer an excellent compromise between sailing performance and comfort on board, this catamaran stands out for its taut lines, its maneuverability and its fluid and bright living spaces.
French flag EX VAT, possibility of Leasing (rental with option to purchase only for European citizen) available in France Lorient
