CATAMARAN GC32 'Movistar'

This flying Catamaran is a VERY COMPETITIVE, FAST AND SPECTACULAR CATAMARAN.
The experience of sailing a GC32 is something only adrenaline lovers can understand. Sailors with indescribable mental strength, capable of finding calm in races with winds of over 20 knots.

“Without a doubt, the GC32s are, along with the America's Cup catamarans, the most spectacular and difficult-to-maneuver boats in sailing today.”
