Beschrijving

HANSE 320 - THE COMPACT CRUISER THAT REALLY SAILS

Built by the German yard Hanse, this 2010 320 sums up the brand's approach: clean lines, a modern sail plan and simplified handling for short-handed sailing. At 9.60 m she offers genuine cruising volume while remaining easy to handle as a couple or with family, for a weekend or a full season. Offered at €78,500 incl. VAT.

Construction and sea-keeping

Polyester hull and GRP - fibreglass deck, with 9.60 m length, 3.30 m beam and 1.84 m draft. A beamy, powerful hull form matched to a rig with a battened furling mainsail and furling jib: reefing is done from the cockpit, without leaving the helm. Lazy jacks and lazy bag complete a boom set up for quick dousing, while the backstay allows fine mast tuning upwind.

Engine and accommodation

A 20 hp YANMAR 3 YM20, three cylinders, sea-water cooled, shows 1,480 hours and delivers 6 knots cruising and 9 knots top speed. Below, 2 cabins and 6 berths, a 250-litre water tank, 24 L hot water via engine and 220 V, and a galley with hob, oven and electric fridge. The teak cockpit, cockpit table, bimini and 2024 companionway cover make life at anchor especially pleasant.

Inventory

- Battened furling mainsail
- Furling jib: x2, including one new jib 2026 + one at 50%
- Additional sails and spinnaker gear
- Boom with lazy jacks + lazy bag, backstay, halyard turning block, winch handle, anti-UV strip
- YANMAR 3 YM20 20 hp engine, 3 cylinders, sea-water cooled - 1,480 h
- AC 12 autopilot
- VULCAN 7 R GPS, repeater
- B&G wind instrument 2026
- B&G AIS DSC VHF 2025 + handheld VHF 2024
- Compass, depth sounder, log/speedometer
- Liferaft, 4 persons, 2026
- EPIRB beacon
- Bilge pump
- Battery x1, service batteries, VICTRON battery charger
- Solar panels 380 W / 2026
- Shore power inlet, 12V circuit, 220V circuit, LED navigation lights
- Anchor + 50 m chain 2025, electric windlass, davits
- Antifouling
- 24 L hot water, engine + 220V
- Bimini, companionway cover 2024, teak cockpit, cockpit table
- Bathing ladder, deck shower
- Hob, oven, electric fridge, radio / hi-fi
- Tender and outboard

An opportunity not to be missed

A consistently maintained HANSE 320 whose electronics, safety gear and power systems have been renewed over recent years: a boat ready to cast off, with no job list waiting. An excellent platform for coastal and light offshore cruising, to be seen without delay.
