Beschrijving

This Hanse 460 was launched by Croatia Yachting, the official Hanse dealer, and features a 3-cabin layout with 3 heads. The yacht is located in Marina Baotić, Trogir and will be ready for takeover after the 2026 season (October).

Designed by Berret-Racoupeau, the Hanse 460 features a new-generation hull that ensures excellent speed, stability, and confident sailing performance. Her generous cockpit layout and wide bathing platform create a seamless connection between sailing and relaxation. As a winner of the prestigious “European Yacht of the Year” award, she represents a benchmark of innovation and comfort in her category.

Equipped with electric halyard winch, 2 x GPS chart plotter, LCD TV and flexteak deck.

* Price Comment:
Fully equipped and ready for charter. The listed price is valid if the yacht stays in our Hanse Yachting World charter management program, otherwise a 6% surcharge applies.

Hanse Yachting World Charter Management
The easiest way to your own Hanse yacht!

Owning a yacht often seems like a big commitment. Along with the financial aspect of purchasing and servicing a yacht, you must arrange for the berth, regular maintenance and check-ups while you are also spending time of your long-awaited holidays to get the yacht ready for your sailing trip every time you want to use it. If you would like to own a yacht without having to worry about anything, or if you are not sure you could afford your dream yacht, maintain it or if you think that you will not be using it enough to be worth buying it, our Yachting World charter management is something that would fit in your plans.

The Hanse Yachting World Charter Management program is essentially our range of services that ensure our care of your yacht and its charter guests, making sure that your yacht reaches its charter income potential and retains as much value as possible over the years. This program is designed to make the yacht ownership as easy as it gets while it will also cover your yachts running costs and in certain charter management models bring additional profit, making your yacht purchase an investment.

Our charter management program has already been recognized by many satisfied owners.

Key benefits of charter management
excellent booking results, with more than 20 weeks per season
financial security with insurance against loss of charter income (in the event of a damage)
high maintenance standards ensure best resale value for your yacht regardless of its age
special purchase conditions for your yacht
high-quality aftersales support with prompt processing of claims throughout warranty
favourable financing conditions through affiliate leasing companies
transparent cash flow reports through constant insight in income and expenses
easy sale or trade in with our brokerage support
