## Beschrijving

**Hanse 531 – 53 ft Performance Cruiser – Attractive Price**

A rare opportunity to acquire a Hanse 531 at a very attractive price. The yacht is offered as a project and reflects the need for upgrades to bring her to full standard.

Designed by Judel/Vrolijk, the Hanse 531 is well known for combining performance, stability, and comfort. She is ideal for bluewater cruising, liveaboard use, or as a value-driven upgrade

**project.**

**Condition & Project**

The price reflects the following items:

Topsides prepared for repainting
Teak deck requires renovation or replacement over time
Technical systems should be reviewed
General cosmetic upgrades needed inside and out
Electric function for garage door not working

Note: This is not a turnkey yacht, but a solid platform with significant potential.

**Sailing Performance & Comfort**

**The Hanse 531 offers:**

Fast and stable sailing characteristics
Easy handling – suitable for short-handed or single-handed sailing
Large cockpit with twin steering wheels
Bright and spacious saloon
Layout with multiple cabins and bathrooms

**A well-balanced combination of performance and comfort.**

**Construction**

Built in epoxy construction, providing a lightweight, stiff, and strong hull with excellent performance characteristics.

**Key Specifications**

Length: approx. 16.15 m (53 ft)
Beam: approx. 4.9 m
Draft: approx. 2.8 m
Displacement: approx. 18–19 tons
Engine: Yanmar diesel
Generator: Installed

(Specifications may vary and should be verified by the buyer)

**Price**

Competitively priced according to condition.
Please contact for further details and viewing.

Summary

A unique opportunity to acquire a large performance cruiser at a price point that leaves room for upgrades while remaining well below market value.

Excellent value for money
Strong upgrade potential
Ideal project yacht
