Beschrijving

Intermare 50 was born as an absolutely innovative boat concept: as comfortable and spacious as a flybridge, with the compact and sleek lines of an open. Interior comfort, great interior roominess. Ease of movement on deck and space in the cockpit guarantee an important livability.
The boat in 2022 had its hull completely repainted from the current gray to cream color
Please note that the data provided by the owner is considered correct but not guaranteed and not contractual. The photographs used, if indicated, may be from the archives.
