Remarks :
Step aboard the brand new Jeanneau TH33! This innovative power catamaran blends elegant French design, thoughtful engineering, and outstanding performance to create a boat that’s as versatile as it is inspiring. Whether you’re planning relaxed day cruises with family and friends, adventurous watersports excursions, or cozy overnight stays, the TH33 delivers an unforgettable experience on the water.
The TH33’s twin-hull architecture offers unrivalled stability and spaciousness in its class. The open cockpit features expansive seating which is ideal for socialising and entertaining while the large bow invites guests to soak up the sun or relax in comfort. Inside, clever use of space and optional cabin layout transform your day boat into a comfortable retreat with sleeping accommodation for two, storage, and natural light streaming through hull windows.
Every detail of the TH33 has been designed for intuitive use and confident handling. The ergonomic helm with wide, supportive seating puts you in complete control, supported by advanced Garmin navigation displays and a passenger-side screen for enhanced situational awareness. An integrated windscreen and optional hard top provide sheltered cruising in all conditions, extending your season on the water.
From the central galley equipped with a sink, refrigerator and optional electric grill, to modular seating and premium finishes in hand-sewn leather, the TH33 elevates life on board with high-end comfort and customization. It’s more than a boat — it’s a floating lifestyle tailored to your needs and tastes.
With powerful twin outboard options and a hull designed for smooth, efficient cruising, the TH33 delivers spirited performance without sacrificing stability or comfort.
