Beschrijving

Combining performance and cost-effective practicality, TOUCHÉ has taken inspiration from both the racing and the aviation industries.

TOUCHÉ has just undergone a complete refit in 2021 including touch up paint, deep cleaning and renewal of the furniture and upholstery, custom made kitchen table, new carpets and moquette, new drive station, engine room/bilge paint, new GPS system, new cover and fenders, renewal of the bathroom and antifouling.

Moreover, engine and electrical services were completed in June 2021.

As a result she is in great conditions and ready for viewings in Beaulieu sur Mer, France.

She is performant, stylish and comfortable. Her elegant line, detailed work and highly sophisticated interior and exterior materials make her appealing to the eye. However, she is not just a pretty face.

The two powerful Yanmar diesel engines lift her effortlessly onto the plane. This is due to her deep V-hull, which ensures her guests experience both exhilaration and joy.

Furthermore, she is very well appointed with top quality accessories, a comfortable aft sunbathing area & swim platform, an outdoor shower, bath ladder, a stainless-steel anchor, etcetera.

TOUCHÉ can host up to 8+1 cruising guests at a time.

The interiors of TOUCHÉ possess full standing headroom, a modernly appointed head, a spacious double cabin with an outdoor shower that makes it possible to stay comfortably overnight, a well appointed galley, teak decking and leather upholstery which complement her stylish ride.

KEY FEATURES:

-The Owner has just completed a full refit in 2021, as a result she is in great conditions.

-The refit included touch up, deep clean, renewal of furniture and upholstery, custom made kitchen tabletop in crocodile, new carpets, new drive station, engine room/bilge paint, new GPS system and antifouling.
