Beschrijving

The Lagoon 43 is a catamaran designed to make the most of every corner, thanks to its innovative concept that joins the interior saloon with the cockpit, creating an open and fluid space perfect for enjoying the open air and the sea views. Equipped with air conditioning, generator, solar panels and lithium batteries, it guarantees a comfortable sailing experience without energy worries. It also has a watermaker that eliminates the need to go into port to fill up with water, giving you unparalleled independence.

As a practical and versatile detail, one of the aft cabins includes a folding berth ideal as an extra bed for a child, adapting to all your needs on board.

The Lagoon 43 offers comfortable and practical sailing, ideal for both experts and those looking to relax at sea. Equipped with electric winches for all her sails, manoeuvring is simple and effortless, maximising enjoyment on board. In addition, it includes the installation of the genoa manoeuvring system, allowing for more versatile and efficient sailing in different wind conditions.
