Zeilen	**gennaker**

Beschrijving

Main Description**EU VAT paid. 3-Cabin Owners' Version. Never Chartered**

Designed by Marc Van Peteghem and Vincent Lauriot Provost, the Lagoon 440 is widely regarded as one of the finest cruising catamarans of its generation, a timeless design that remains as popular today as when it first launched. At 13.62m LOA with a generous 7.70m beam and a shallow 1.30m draft, she offers the space, stability, and ease of handling that have made the 440 such an enduringly sought-after bluewater cruiser. REWIND is the rare and much-coveted Owner's Version with a three-cabin layout that dedicates the entire starboard hull to a palatial master suite. She has been privately owned and never chartered since new. EU VAT is fully paid.

The Owner's suite is a genuine highlight: a centreline double berth, dedicated dressing area with sofa and desk, abundant storage, and a large ensuite with separate shower cubicle occupy the whole starboard hull, creating a level of private comfort rarely found on a catamaran of this size. The port hull houses two comfortable guest double cabins, each with their own heads. The bright saloon features generous seating and dining, a navigation station with chart table, and a well-equipped galley with double sink, stove and oven, microwave, two refrigerators, and a freezer. Recent investment has been considerable: all through-hull fittings were replaced in 2024 with True Design composite fittings, new trampolines were fitted in 2025, and a new Garmin chart plotter has been installed on the flybridge.

Owner's Version - entire starboard hull devoted to master suite
EU VAT paid; never chartered; privately owned from new
Twin Yanmar 4JH4AE 54hp engines with sail drives (approx. 2,500 hours each)
Onan 11.5kW generator and Cruisair air-conditioning (4 units throughout)
All through-hull fittings replaced 2024 with True Design composite fittings
New trampolines 2025; Rocna 40kg primary anchor with 70m chain
Raymarine radar and 12" chart plotter; new Garmin 12" GPS on flybridge
Vesper Cortex VHF/AIS system; ICOM M802 HF long-range radio; Navtex
2x Solbian 80W flexible solar panels; 720Ah house battery bank; Victron monitor
Full battened mainsail, furling genoa, and gennaker/cruising chute
Flybridge bimini, cockpit enclosure, sun awnings, davits, and tender lift system
Cockpit and flybridge cushions; deck shower; secondary 20kg anchor

Broker Comments: The Lagoon 440 Owner's Version in private, never chartered condition is a genuinely rare find on today's market, and REWIND represents the very best of what this exceptional model has to offer. With EU VAT paid, a well-documented history of conscientious ownership, and a series of meaningful recent upgrades, she is ready to cruise immediately with real peace of mind. The addition of long-range HF radio and the Vesper Cortex AIS/VHF system speaks to a boat equipped for serious bluewater passages, not just coastal pottering. Located in Sardinia, she is perfectly placed for exploring some of the Mediterranean's finest cruising grounds. A viewing is very strongly encouraged.

This Lagoon 440 is available immediately and can be viewed by appointment in Sardinia, Italy.
MechanicalThis 2007 Lagoon 440 is powered by twin Yanmar 54hp diesel engines with saildrive and approximately 2500 engine hours on each engine.

She also benefits from a 11.5kw Onan generator, and Cruisair air-conditioning units in each room (4 units total).
