All the cabins have ensuite facilities with separate shower rooms. "El Marita" is equipped with 3 fridges and an extra sink in the cockpit. She is fully air conditioned , with a generator and 5 air conditioning units. A Nespresso coffee machine is also available for our guests. She sports a 3.60mt tender Highfield and a 15hp outboard engine. Her large bimini on the fly bridge offers a lovely shaded area for relaxing. Whereas the two large bean bags in the front of the yacht offer plenty of space for sunbathing. "El Marita" is offered with a skipper on board and the clients can also choose to have a hostess/cook with them. The crew have their own cabins and bathroom/shower. Her 8.00mt width offers plenty of space for a comfortable holiday.
