Engines: 2 × Yanmar 4JH57 57 hp
Engine Hours: 316

The Lagoon 46 reinforces the fundamentals that have made the brand a hedonist and generous sailing reference: freedom and audacity, gentle lifestyle and innovation, so many beliefs that are expressed in a style that Patrick le Quément has strengthened and harmonised through every new birth.

This Lagoon 46 delivered new in 2023, she presents in excellent condition and is equipped for both private cruising and charter operations. Powered by twin Yanmar 4JH57 engines with a combined output of 153 horsepower and only 316 hours of use, she offers reliable performance and efficiency. Her layout provides accommodation for up to twelve guests, with four spacious double cabins, one cabin with bunk beds, and additional berths in the saloon. The interior is bright and comfortable, featuring air conditioning, heating, a flat-screen TV, and an audio system with outside speakers. The galley is fully equipped with a fridge, oven, cooker, sink, and utensils, ensuring convenience for extended voyages. On deck, she carries a classic mainsail, solar panels, radar, generator, GPS plotter, and a protective bimini, making her well-prepared for long-range cruising. This Lagoon 46 represents a rare opportunity to acquire a nearly new, fully outfitted catamaran ready for immediate sailing.
