Beschrijving

Propulsion: shaft
Hull material: grp
Hull type: displacement
Keel type: twin
Rudder type: twin
Displacement: 19700 kg
Berths: 6
CE category: A
Design: flybridge, walkaround
Usage: family, weekend, houseboat, long-distance, charterWinner of the 2018 Multihull of the Year Award and recognized as Best Boat of the Year 2019, the Lagoon 50 has established itself as a benchmark in the luxury cruising catamaran segment.

MAZE ONE combines the naval architecture expertise of VPLP Design with the elegance of Patrick Le Quément and the refined interiors of Nauta Design, delivering an exceptional onboard lifestyle and sailing experience. Its 3-cabin Owner’s Version layout maximizes comfort and privacy, while an extensive equipment package — including twin 80 HP Yanmar engines, lithium batteries, generator, full air conditioning, and advanced energy management systems — ensures outstanding autonomy and performance for extended cruising.

Generous outdoor living areas, a panoramic flybridge, and a seamless connection between interior and exterior spaces transform every voyage into an exclusive experience. Designed for owners who seek to explore the world without compromising the comfort, sophistication, and practicality of a true home at sea.Configuration & Accessories:
