Beschrijving

Main DescriptionPrice reduced July 2026. 6-Cabin Layout. Well-maintained. Available immediately!

Designed by VPLP with interiors by Nauta Design, the Lagoon 50 is one of the most celebrated blue-water cruising catamarans on the market, sitting neatly between the 46 and 52 in the Lagoon range. Aliana, a 2022 example measuring 14.76m LOA with an impressive 8.10m beam, has been operated under skippered charter and maintained to an exemplary standard throughout, with a full service history available. She is presented in excellent condition and is available for immediate delivery in Pula, Croatia, following a price reduction in December 2025.

This particular example features the highly desirable six-cabin, four-head layout, accommodating up to twelve guests across two forward, two aft, and two midships double cabins — with additional crew quarters and a separate heads in the bow. Twin Yanmar 4JH 80hp sail-drive engines provide reliable auxiliary power, complemented by an Onan 11kW generator, a Webasto air-conditioning and heating system, and an Aquabase watermaker. Raymarine and B&G electronics provide a well-rounded navigation suite at the helm. Topsides, the cockpit is laid in teak and features a bimini, sprayhood, sun pads, and a Lewmar electric windlass. Tender provision is thoroughly modern, with a Kapa 360 dinghy powered by an e, Propulsion electric motor, plus two Beyond Marine SUPs.

6-cabin, 4-head layout — sleeps up to 12 guests
Twin Yanmar 4JH 80hp engines with sail drives
Onan 11kW generator and Webasto A/C and heating system
Aquabase YE2 watermaker (120 l/h) and solar panels
Raymarine and B&G electronics: AIS, autopilot, radar, VHF, and chart plotter
Full-battened main, furling genoa, Harken winches with electric halyard winch
Teak cockpit, bimini, sprayhood, and Lewmar electric anchor windlass
Kapa 360 tender with e, Propulsion electric motor and 2x SUPs
KHY 12-person life raft (serviced March 2025)
Crew accommodation with separate heads

Broker Comments: ALIANA is a compelling proposition for buyers seeking a well-specced, charter-ready catamaran in the heart of the Adriatic. The six-cabin layout is the most commercially versatile configuration available on the Lagoon 50, and the full service history provides genuine peace of mind. With VAT not yet paid, there may be scope for buyers to structure their purchase tax-efficiently depending on their circumstances. As ever, photographs simply cannot convey the scale and quality of this yacht in person — a viewing is very highly recommended.

This 2022 Lagoon 50 is available immediately and can be viewed by appointment in Pula, Croatia.
