Beschrijving

Set sail on an unforgettable journey along the Corsican coastline aboard the elegant Lagoon 55 “Smiley” (2025). This exceptional catamaran is available bareboat, offering total freedom for experienced sailors, but can also be enjoyed with a skipper and hostess for those seeking a fully serviced experience. Its base in Bonifacio, Corsica opens the door to pristine anchorages, limestone cliffs, and turquoise waters that define the island’s wild and breathtaking character.

“Smiley” features a refined layout with 5 double cabins, each with its own ensuite bathroom, as well as optional Pullman beds, allowing accommodation for up to 12 guests. The interior saloon is spacious and filled with natural light, with panoramic windows offering sea views from every corner.

Life on board flows effortlessly between inside and out. The flybridge, forward lounge, and large cockpit create multiple inviting spaces to relax, dine, or simply take in the sea breeze. A professionally equipped galley ensures the pleasure of shared meals, whether you're anchored in a quiet bay or docked in a lively port.

When it comes to comfort and autonomy, “Smiley” leaves nothing to chance: equipped with air conditioning, generator, watermaker, and complete electronic navigation system (including GPS plotter, wind instruments, autopilot, depth sounder, and VHF), as well as a full 220 V / 12 V electrical system. Additional features include an electric anchor windlass, cockpit table, sunbeds, and wide exterior decks perfect for lounging under the Mediterranean sun.

Corsica is best explored by sea. From the dazzling Lavezzi Islands to the steep cliffs of Bonifacio, from the tranquil beaches of Palombaggia to the rugged charm of Piana—every stop offers a unique moment of beauty and escape.

Chartering the Lagoon 55 “Smiley” means embracing freedom, elegance, and the true spirit of the sea. Whether you choose to sail it yourself or with a professional crew, Corsica is waiting.
