Beschrijving

The Lagoon 55 “Utopia”, built in 2024, redefines luxury at sea. Available for charter with a professional crew from the island of Kos (embarkations from other ports available upon request), it offers an exclusive experience for guests seeking comfort, elegance and exceptional service while discovering the Greek islands.

With an overall length of 18.4 metres, the Utopia combines design, space and performance. Its layout includes four double cabins with private bathrooms, accommodating up to eight guests in complete privacy. The professional crew of three takes care of every detail on board — from navigation to personalised service and gourmet dining — ensuring a truly unforgettable experience.

The outdoor spaces are designed to enjoy the sea to the fullest: a spacious cockpit with dining and sunbathing areas, a flybridge with panoramic views, and a hydraulic bathing platform that provides easy access to the water. The teak decks, elegant furnishings and open layout create a sophisticated yet relaxed atmosphere throughout the yacht.

Inside, natural light fills a contemporary interior crafted with high-quality materials. The main saloon offers an open, inviting space with views of the horizon, while the fully equipped galley —featuring a fridge, freezer, gas oven, espresso machine and kettle— ensures the comfort of a truly luxurious onboard stay.

The Utopia is fitted with air conditioning, generator, watermaker, inverter, solar panels and hydraulic gangway, providing autonomy and comfort wherever you choose to anchor.

For leisure, guests can enjoy a superb selection of water toys: Seabob, wakeboard, paddle boards (SUP), a Highfield 460 tender with Yamaha 70HP engine, and snorkelling equipment. In addition, the Fusion sound system, both indoors and outdoors, Wi-Fi on board and multiple sunbathing areas complete the ultimate luxury experience at sea.

Sailing through Greece aboard the Lagoon 55 “Utopia” is to discover a destination filled with beauty and tradition. From the crystal-clear waters of the Dodecanese to the Cyclades Islands, each day reveals a new vision of paradise — whitewashed villages, hidden bays and unforgettable sunsets.

The Utopia is more than a catamaran; it is a way of living the sea with style, serenity and an exceptional level of service.
