Beschrijving

Main Description'Like New'! Private use only. For sale by first owner.

ECHOES 1 is an outstanding example of the 2023 Lagoon 55 Fly, presented in virtually as-new condition, following light private use by her current owner. Finished with the premium extra-light grey hull and white mast, she combines Lagoon's acclaimed volume, styling and seaworthy performance with an exceptional list of factory and owner upgrades. Her expansive flybridge, complete with hard top, wet bar, fridge and generous seating, provides one of the best social spaces in the 55-foot market; complemented by a beautifully appointed cockpit and forward lounge, each finished in Flexiteek for a refined, low-maintenance aesthetic.

Below deck, her light-filled interior offers a luxurious saloon with an electric-lift dining table, upgraded audio-visual systems and custom furniture, alongside a fully equipped galley boasting multiple fridges, a wine cooler, ice maker, dishwasher, full laundry setup and high-capacity watermaker. The four-cabin layout provides superb accommodation, with a sliding-door master suite featuring an electric-lift TV and safe.

Upgraded 115hp Nanni engines with sail drives - very low engine hours
Light grey hull finish
Upgraded audio and Wi, Fi system
Dishwasher
Washing machine and dryer
Solar panels
Sea Breeze underwater lighting
Hydraulic swim platform
Flexiteek decking on cockpit, flybridge and forward seating area.

ECHOES 1 is a genuinely exceptional find. A near-new Lagoon 55 Fly, privately owned and never chartered, with an upgrade package that comprehensively outclasses the standard specification and a presentation that is as close to new as one could realistically hope to find on the second-hand market. The uprated Nanni engine fit, combined with just 385 hours, means the mechanical element of this yacht has barely been used. The audio and interior upgrade alone represents a substantial investment over and above the factory price. Offers are invited and serious buyers are encouraged to enquire promptly, a yacht in this condition at this specification level will not remain available for long.

This is rare opportunity to acquire a highly specified Lagoon 55 ready for immediate enjoyment. Viewing available by appointment.
MechanicalThis 2023 Lagoon 55 features two factory upgraded Nanni N4 115hp diesel engines (instead of the standard Yanmar 80hp) equipped with sail drives. These engines currently have approximately 385 engine hours.
