Beschrijving

This superb Leopard 24 by the ARNO shipyard, measuring 23.96 meters, represents a rare opportunity on the market. With its elegant, sporty lines, it is presented in remarkable condition thanks to exemplary technical maintenance, including full overhauls of both the MTU engines and the KAMEWA systems (documentation available at an advanced stage of negotiation).

Powered by twin MTU 1500 hp engines, the yacht comfortably reaches 24 knots cruising and up to 32 knots at top speed. On board, three comfortable ensuite cabins, two lounges and expansive outdoor areas offer premium comfort and generous living spaces.

A powerful, elegant and meticulously maintained yacht, truly an exceptional opportunity!
