Beschrijving

2024 ROBERTSON AND CAINE LEOPARD 42 - 3 Cabin - Dauntless

BUILDERS REMARKS: Exclusively built by Robertson & Caine and designed by naval architects Simonis Voogd, the Leopard 42 blends superior finishes and materials, creating a one-of-a-kind vessel that balances comfort, performance and ease of handling.

BROKERS REMARKS: Dauntless is the youngest Leopard 42 currently available for sale while still in the fleet. She offers a three-cabin, three-head owner layout, with the starboard hull arranged as the owner's cabin. Highlights include the latest interior scheme, air conditioning, generator, watermaker, inverter, Yanmar engines, electric davits, a walk-through forward door and an upper lounge on the hardtop. The asking price has been reduced to $625,000, presenting strong value for a 2024 Leopard 42. The port Yanmar displays 1,068 hours; starboard engine hours are not recorded in Propulsion.

AVAILABILITY: This yacht is currently in the fleet till 30th June 2028. Maybe available sooner or with management agreement to remain in fleet with guaranteed income and owner usage time. Please enquire for details.
