Beschrijving

Ragamuffin of Cape Town is a one-owner-from-new 2005 Leopard 43 sailing catamaran, currently lying in Nidri, Lefkas. She offers a spacious four-cabin layout with four en-suite heads, two additional forward berths, a bright panoramic saloon, practical galley and a generous cockpit protected by a hard bimini. Powered by twin 40 hp Yanmar diesel engines, she is equipped for comfortable cruising with a fully battened mainsail, furling headsail, autopilot, cockpit navigation instruments, solar charging, inverter and an approximately 720 Ah domestic battery bank. Thoughtful additions include upgraded ground tackle, a Mediterranean stern-to mooring system, hinged passerelle and a Highfield tender reportedly purchased new in 2024. With her shallow draught, practical layout and proven Robertson & Caine construction, Ragamuffin is well suited to family cruising, extended living aboard and exploring the Mediterranean.
