2020 ROBERTSON AND CAINE LEOPARD 50 - 4 Cabin Version – AMAZING

BUILDERS REMARKS: With versatility in mind, we bring to you the next generation of Leopard Catamarans, the Leopard 50. She has been designed to replace one of the best-selling Leopard Catamarans of all time, the award-winning Leopard 48.

The Leopard 50 has the ideal layout for anyone looking for more outdoor living space as she comes equipped with a flybridge that includes a lounge area, table, sunbed and optional exterior speakers and shade awning. Access is provided by floating stairs leading up from the aft cockpit. An important distinction compared to similar sailboat flybridge configurations is that while under sail, passengers can move about the flybridge with ample headroom and never worry about interference from the boom. The flybridge is also situated to still maintain contact with the helm station, an important feature found on all Leopard Catamarans.

BROKERS REMARKS: Amazing is a 2020 Leopard 50 in the 4-cabin layout with the starboard aft owners cabin and walk-in shower. Located in Rodney Bay, Saint Lucia. Asking price is now USD 629,000. Twin Yanmars (about 2,016 hours each), Northern Lights generator, solar, air conditioning, and watermaker. Forward cockpit, hardtop lounge, and lighter ash interior. Lighter usage during recent years has left engine hours lower than many sisterships.

AVAILABILITY: This yacht has finished phase out and is ready for her next adventure. Contact the Fort Lauderdale office to schedule a viewing.
