No.Cabins: 2
No. Heads / WC: 1
Water capacity: 340.00 l
Fuel capacity: 700.00 l
Engine: 2 x Volvo Penta 300 HP Diesel

The new Marex 375 is the award-winning European boat of the year 2017!.
The basic idea has been to focus on the space above the deck and now made room for two large seating areas in the boat. The main emphasis is that today’s customers want to stay upstairs and not have a seating area below deck. Marex has also tried to give the boat a yacht feeling in the design of the bow and with the wide side deck.
Seaworthiness of Marex 375 are great and it has a planning hull, equipped with twin Volvo 300 HP engines with V shaft drive. Cruising speed is 21 kts!
