Beschrijving

2016 Marex 375, offering an exceptional combination of Scandinavian design, impressive performance and luxurious family cruising accommodation. Powered by twin Volvo Penta D4-300hp inboard engines offering a top speed of approx 34 knots with just 352 hours. Much loved by her current owner, this particular example benefits from an extensive array of desirable optional extras, Bow & Stern thruster, Diesel heating, upgraded Chartplotter to name a few - making her an ideal choice for anyone seeking a versatile cruiser equally suited to entertaining family and friends, extended weekends away or longer coastal adventures. The spacious cockpit is a real highlight, featuring generous seating beneath a practical hardtop with a vinyl folding roof, allowing you to enjoy the open air boating experience whenever the weather permits. For added versatility, the full enclosed canopy kit runs on rollers, making it easy to adapt the cockpit to changing conditions and extend the boating season throughout the year. Moving inside, the Marex 375 offers a beautifully arranged and sociable saloon, with a large seating area and bar stools creating the perfect setting for relaxing or entertaining. Below deck, two generous double cabins provide comfortable overnight accommodation for family and guests, complemented by a separate toilet compartment. Manoeuvring and navigation are made easier thanks to the comprehensive specification.

Deck:
GRP hull. Electric windlass with anchor, chain and rope. Bow anchor locker. Fenders and lines. Stainless Steel mooring cleats. Large extended bathing platform with teak decking. Fold down Stainless Steel boarding ladder. Large aft bench stern storage. Port and Starboard teak side decks up to bow of boat and toe rail. Stainless Steel rails on hard top. Full enclosed canopy kit on rollers. Fender lockers on side decks. Stainless Steel guard rails up to bow. Davits on stern platform. Ensign holder.
Cabin:
