Zeilen	**gennaker, genua, grootzeil latten, lazy bag, lazy jacks**

Beschrijving

Built in 2020 by the Nautitech shipyard to Marc Lombard's plans, the Nautitech 40 Open is a catamaran recognized for its excellent seaworthiness, its comfort of life on board and its performance under sail.This four cabins version and two bathrooms, offers an excellent compromise between space, conviviality and capacity for a family long-distance cruising program.The "Open" concept developed by Nautitech creates true continuity between the cockpit and the saloon, offering fluid circulation, exceptional natural ventilation and a panoramic view of the outside. The stern helm provides sailing sensations that are much appreciated by boaters looking for a lively and high-performance catamaran.Thanks to its hull designed by Marc Lombard, the Nautitech 40 Open benefits from particularly safe seafaring behavior, performing well upwind as well as downwind.French flag. Dock dues paid — visible in Martinique
