Beschrijving

Beschrijving:
The Nimbus 405 Fly was built in 2022 and delivered as a 2023 model.
With an overall length of 13.33 m, a beam of 3.86 m, 3 cabins and 2 bathrooms, she offers exceptional comfort and Scandinavian design at its finest.
Powered by 2 x Volvo Penta D4-320 EVC engines (2 x 315 HP) with only approx. 30 engine hours, the yacht cruises comfortably at 18 knots and reaches a top speed of approx. 28 knots. Fuel consumption at cruising speed is approx. 50 l/h.
This particular Nimbus 405 Fly was exhibited at the boot Düsseldorf 2023 and comes fully equipped.
A special highlight is the factory-installed 8 kW “Whisper Power” generator and the 16,000 BTU air conditioning system.
A detailed 6-page specification including a complete list of extras is available upon request.
