Beschrijving

For Sale at Orange Yachting: Pardo 43 with delivery 2026 stock boat
New Pardo 43
Advanced technology, design, elegance, quality and innovation based on years of experience are the characteristics of Pardo Yachts. This exclusive boat builder designs for people with an eye for quality and a preference for comfort, design, performance and speed.
The Pardo 43 is a perfect boat for enthusiasts who like to spend time in the company of others. One of the most important characteristics of the deck is the Walk Around that offers more useful space and safety if you have children or guests on board. The deck remains drier and the Sundecks and the anchor area are more accessible.
The Pardo 43 is equipped with two generous Sundecks, an outdoor kitchen under the T-top and an outdoor sitting area. The upper deck is multifunctional and customized. An optional platform can be installed additionally for swimming enthusiasts with an outdoor shower. It can also be converted into an entertainment area equipped with mattresses, puffing and chaise longues. Another option is a so -called lift platform to place jet ski and water toys. The interior consists of a large room with a king -size bed and a separate cabin with another two single beds.
T-top
The T-top is made of carbon: sturdy, but also light material that contributes to better stability of the boat. The T-top protects the steering position and the utility room.
We would be happy to tell you much more about the Pardo 43 and would like to invite you for a further introduction.
With kind regards,
Team Orange Yachting
