Beschrijving

President 42 - extremely well equipped - here all navigation instruments are found at the control desk in the salon and on the flybridge.

The boat is equipped with a large aft deck, from which there is access to the flybridge and saloon. The salon is accessed through a large glass door. It is furnished with a large pantry, corner sofa arrangement with coffee table and cupboards/shelves with space for storage.

At the front of the salon is the control desk, where the skipper has an overview of all navigation and engine instruments. From the salon there is access to the lower deck, which contains guest cabins and a toilet. Aft of the ship is the Owner's Cabin.

All in all, this is a solid motor cruiser with two good economical diesel engines and thrusters.

Please contact **Yachtbasen** to arrange a viewing.
