The perfect day at sea starts here
Some boats are built for sailing. Others are built for enjoyment. The Princess V65 "Creta" is firmly in the second category. Built by the prestigious British shipyard Princess Yachts, with its 21 metres of length and unmistakable sporting lines in navy and white, the "Creta" is one of the most elegant and sought-after day charter yachts in Ibiza. Based at Marina Botafoch, the island's nautical hub, she is available for day trips with up to 12 guests and a professional crew on board. A day on the "Creta" is not simply a day on a boat. It is an experience you won't forget.
Exterior spaces: designed to make the most of every hour
The "Creta" has been conceived to get the most out of every hour spent at sea. The stern cockpit is wide and exceptionally comfortable, with beige upholstered sofas arranged in a horseshoe shape around a central table — perfect for lunch on board, pre-swim aperitifs or simply enjoying the passage with the breeze in your face. The sliding hardtop — one of the model's defining features — allows the cockpit to be opened or closed depending on sun and wind conditions, creating a unique space that combines the feeling of an open boat with the comfort of a covered one. At the bow, a generous sunbathing area with large upholstered cushions invites you to relax and soak up the sun on the open sea. At the stern, a bathing platform with ladder provides direct access to the water for swimming and water toys.
Interiors: British warmth and comfort
The interior of the "Creta" surprises with its spaciousness and the warmth of its finishes. The main saloon features a dark leather corner sofa, round dining table and bar area, all finished in warm-toned noble woods that create an intimate, welcoming atmosphere. The galley is fully equipped, ready to prepare the finest fresh produce on board. Below deck there are 3 cabins — an owner's cabin with a round bed, a VIP cabin with double bed and a third double cabin — and 3 full bathrooms. Although the "Creta" is a day charter yacht and overnight stays are not offered, these spaces enhance on-board comfort throughout the day and ensure that everyone has their own private space when needed.
Crew: captain and stewardess at your service
The "Creta" always sails with a crew of two: captain and stewardess. The captain ensures safe navigation and knows the finest anchorages and coves of Ibiza and Formentera better than anyone. The stewardess makes sure nothing is ever lacking: the welcome pack, cold drinks, attentive personal service and that attention to detail that turns a great day on a boat into a truly memorable experience. All you need to do is arrive and enjoy.
Water toys
The "Creta" carries 2 Stand Up Paddleboards and full snorkelling equipment for exploring Ibiza's underwater world. For those looking for a little extra excitement, a Seabob is available on request.
The destination: Ibiza at its most authentic
From Marina Botafoch, the "Creta" puts the best of the archipelago within reach in a single day. The northern coves — Cala Xarraca, Cala d'en Serra, Cala Aubarca — with their crystal-clear waters far from the crowds. The unique spectacle of Es Vedrà from Cala d'Hort. The untouched seabeds of Ses Salines. And if the day allows, a quick escape to Formentera: Ses Illetes, Es Molí, La Savina, with those Caribbean-blue waters that make you question whether you are in the Mediterranean or the tropics.
The Princess V65 "Creta" is the perfect boat for a day charter in Ibiza with family, a couple or a group of friends. Elegant, fast, comfortable and with the ideal crew on board. All that's left is to book.
