The Ruby 72, crafted by Grand Harbour Yacht, embodies advanced shipbuilding technology combined with meticulous woodworking craftsmanship. Our core principle is to create the ideal marine experience for our customers. The main deck features a spacious saloon, outfitted with a luxurious leather sofa and a dedicated formal dining area. Ascend to the flybridge for unobstructed views and generous seating, complete with a BBQ, refrigerator, and mini bar—an ideal setting for dining with friends. This exceptional Ruby 72 offers three well-appointed guest cabins, two of which have ensuites, along with a crew cabin that includes a head. For outdoor enthusiasts, the flybridge is a standout feature of the Ruby 72. This expansive area provides panoramic views, a dining table, and a sunbathing space. Additionally, it includes a hydraulic lift swim platform for easy access to the water.
