Beschrijving

SAFFIER SE 26 – 2009
Elegant Daysailer | Tiller Steering | Excellent Condition | Upgraded 2025/2026

Timeless elegance, outstanding sailing pleasure and exceptional handling.

The Saffier SE 26 is a beautifully designed daysailer combining classic lines, sporty sailing characteristics and effortless handling. Built for sailing enthusiasts who appreciate both performance and elegance, this distinctive yacht offers a rewarding sailing experience in a compact and refined package.

This 2009 example features the desirable tiller steering configuration and is presented in excellent overall condition, having benefited from attentive maintenance and an extensive programme of upgrades and improvements carried out between 2022 and 2026.

The tiller provides direct and responsive handling, while the self-tacking jib makes manoeuvring easy, even when sailing single-handed or with a small crew.

A particularly valuable upgrade was completed in 2025 with the installation of a **Raymarine EV100 autopilot, integrated with a Raymarine i60 wind instrument**, allowing the autopilot to maintain a selected wind angle for comfortable and enjoyable sailing.

Maintenance and upgrades

2025–2026
- Raymarine EV100 autopilot installed
- Integration with Raymarine i60 wind instrument
- Complete engine servicing (2025)
- Fuel level gauge replaced
- Through-hull openings resealed
- New electric bilge pump (2026)
- Manual bilge pump replaced (2026)
- Water pump impeller replaced (2026)

2022–2024
- Batteries replaced
- Antifouling treatment and anode replacement
- Engine servicing, including saildrive oil change
- Winches serviced
- Electrical panel switches replaced
- Dual USB charging socket installed
- Navigation and masthead LED lights restored
- Engine compartment sound insulation renewed
